

# WELLHEADS IN THE DESERT

**ENVIROPEEL**  
THERMOPLASTIC SYSTEMS

Corrosion in a dry Libyan desert region is not what it would be offshore in the North Sea or the Caribbean. Nevertheless, the valves and flanges on these well heads needed attention as well as protection from the ingress of sand and dust.

Enviropeel products are manufactured and licensed by Enviropeel Holdings LLC, USA  
[www.enviropeel-holdings.com](http://www.enviropeel-holdings.com)

The team were completely self-contained using an Enviropeel Mobile Unit for power and air - even fitting in a scaffold tower!

A&E Group is the licensed distributor for Enviropeel products in Australia, Europe and Asia, visit our website at [www.ae-sys.com](http://www.ae-sys.com) or contact any of our offices for technical advice and availability in your area:
